

# Homeschool Online Science Courses Information

## About the Teacher

### *Eric Hickman*

- 33 Years Teaching Experience
- Active Ohio Teaching License
- Recent BCI/FBI Check with State of Ohio
- Taught Physical Science, Basic Chemistry, Biology, Earth Science, and Environmental Science for Cincinnati Public
- Four-Time Teacher of the Year in Cincinnati, Metro Atlanta, and Jacksonville, Florida

## Courses

- Biology
- Environmental Science
- Physical Science
- Chemistry

## Grade Levels

- 7 - 12

## Additional Information:

- Grades are based on points earned divided by total points of all assignments.
- Progress reports sent to students and parents every 2 weeks. Parents and students will receive quarter and semester grades.

- Students must complete daily assignments by 2:30 p.m. each day except for projects and lab reports. Assignments are to be submitted on student computer Google classroom. Assignments will include: vocabulary review, research, and lab reports. Projects will be turned into to the teacher.
- Students are required to meet with the teacher biweekly. This meeting can be done at the student's home or teacher learning site. This meeting is to assess whether the student is comprehending science content and vocabulary. Parents and students will be notified of any cancellations due to weather emergency or illness of teacher.
- Students must attend in-person labs and activities biweekly. Students can make up assignments due to illness, emergencies, or any other family situation. Teacher needs to be notified as soon as possible.
- Student will be assessed on their understanding of Ohio State Science Standards/NSSG.
- Parents need to complete information packets at the Orientation.
